Personal Life, Risk & Medical Insurance

Yes Life Limited provides personalized advice that takes into account your individual circumstances to determine the personal risk products that best meet your personal goals and needs.

I follow a documented advice process that uses your personal situation to work out what's important to you, what products you need and how much cover you should have in place. I then recommend the provider that offers the cover most suited to your stated preferences

Providers Yes Life Limited works with

AIA, Chubb, Fidelity Life and NIB

This means that Yes Life Limited will only consider the providers listed above when recommending a product to meet your personal risk insurance needs.

How I am paid

Yes Life Limited does not charge any upfront fees for my risk advice services. To ensure advice remains accessible, I am paid commission by the provider of any product you put in place on the back of my recommendation.

How I manage conflicts of interest and put your interests first

The services Yes Life Limited offer are provided free of charge to my clients. This is because Yes Life Limited is paid by the providers when one of their products is taken up on the back of my recommendation.

Although Yes Life Limited is paid by the providers, I always put your interests first:

- I follow a proven advice process that puts my clients needs at the heart of the advice process
- I identify and disclose the maximum level of commission I may get on the back of my recommendation If my recommendation involves replacing cover, I will provide a comparison of covers and explain what the recommended provider offers that your existing cover does not. I will also let you know if there is anything your existing provider covers that the recommended provider will not.
- All my recommendations are provided in writing with an explanation as to how they are based on your individual needs
- Yes Life Limited completes internal and external reviews of my advice process to ensure I follow a thorough review process that puts client interest first.
